

## Saint Anthony Family Finger Lakes Wine Tour Saturday, October 3<sup>rd</sup>, 2009

6:30 A.M. Depart from Carbino Club in Jessup via Luxury Motorcoach w/Bathroom.

9:30 A.M. Miles Wine Cellars Tasting: They're opening early just for us! Our tasting room is located in our fully renovated Greek Revival home. It was originally built in 1802 as a Federal style farm house and was converted to Greek Revival in the 1850's by the Miles Raplee family. When the owner, Doug Miles, found the home in 1978 it had not been lived in for nearly 50 years. It is on the National Historical Register, was once part of the Underground Railroad and is known to be haunted by more than one ghost.

10:45 A.M. Villa Bellangelo: We invite you to visit our rustic, country villa and enjoy handcrafted wines with an Italian flair. Pinot Grigio and Pinot Nero highlight our expanding wine list. Take in spectacular views of Seneca Lake from our spacious, climate-controlled tasting room. Relax in the garden, play a little bocce ball or enjoy free Wi-Fi.

12:00 P.M. Glenora Wine Cellars: Private wine tasting for our group in the bottling room which is normally only seen during a paid tour. Experience the Excellence as you enjoy the spectacular view and award winning wines at Seneca Lake's oldest winery. Let our friendly and knowledgeable staff guide you through our extensive selection of wines.

1:00 P.M. Lunch at Varaisons Restaurant @ Glenora: Al la' Carte menu. Eat like a king or queen or skimp or even bring your lunch and eat outside in the picnic areas. Please tell us if you want to eat at the restaurant with the group for reservation counts. Dine inside with the cherry trim, cathedral ceilings, stone fireplace, and expansive windows with the vineyards and lake just outside. Or, enjoy the sweet smell of the vineyards from your table on the terrace.

2:00 P.M. Rock Stream Vineyards: Rock Stream Vineyards, "The Wine of Your Life"®, is a family-owned estate winery with a 40 acre vineyard producing 230 tons annually. We grow our own grapes and produce the wine and labels. We offer unique wines such as DeChaunac and are Seneca Lake's only Grape Brandy/Grappa distiller.

(continued on next page)

3:00 P.M. Fulkerson Winery: Bring your coolers and plastic jugs if you want to buy grape juice for wine making (including reds!). “Savour the Unique” by stopping by our spectacular, spacious tasting room. Enjoy 25+ unique wine varieties like our Cabernets, Vincent, Rieslings, Traminette, Pinot Noir, Diamond and Ice wines. See our gift shop and home winemaking supplies. Mid-September through the end of October we also offer 30 varieties of fresh grape juice.

4:30 P.M. Cascata Winery at the Professors' Place: Started by two college professors, we feature Seneca Lake wines, varying from dry Vinifera to fruity natives, with a Gift Shop and Art Gallery. Our “cozy haven in a complicated world” entitles you to massive trees, a fishpond, and lawns surrounding our rambling 19th century home. Enjoy the original art and labels created by Coralee!

8:30 P.M. Return to Carbino Club in Jessup.

---

Call Al at 570-815-7217 to make your bus tour reservations or email [info@saintanthonyfamily.org](mailto:info@saintanthonyfamily.org). Space for first 55 people to reserve. Must be over 21 for wine tasting. Wine tasting at each winery includes 1-2 ounces of between 4 and 7 wines starting from the sweet whites and ending with the dry reds or ports. All wine tasting and bus transportation is included for \$60 pp. Please make checks to “Family of St. Anthony”.
